View on Zlín city from my hood

- Zlín castle

- an early medieval hillfort from 13th century

Hometown

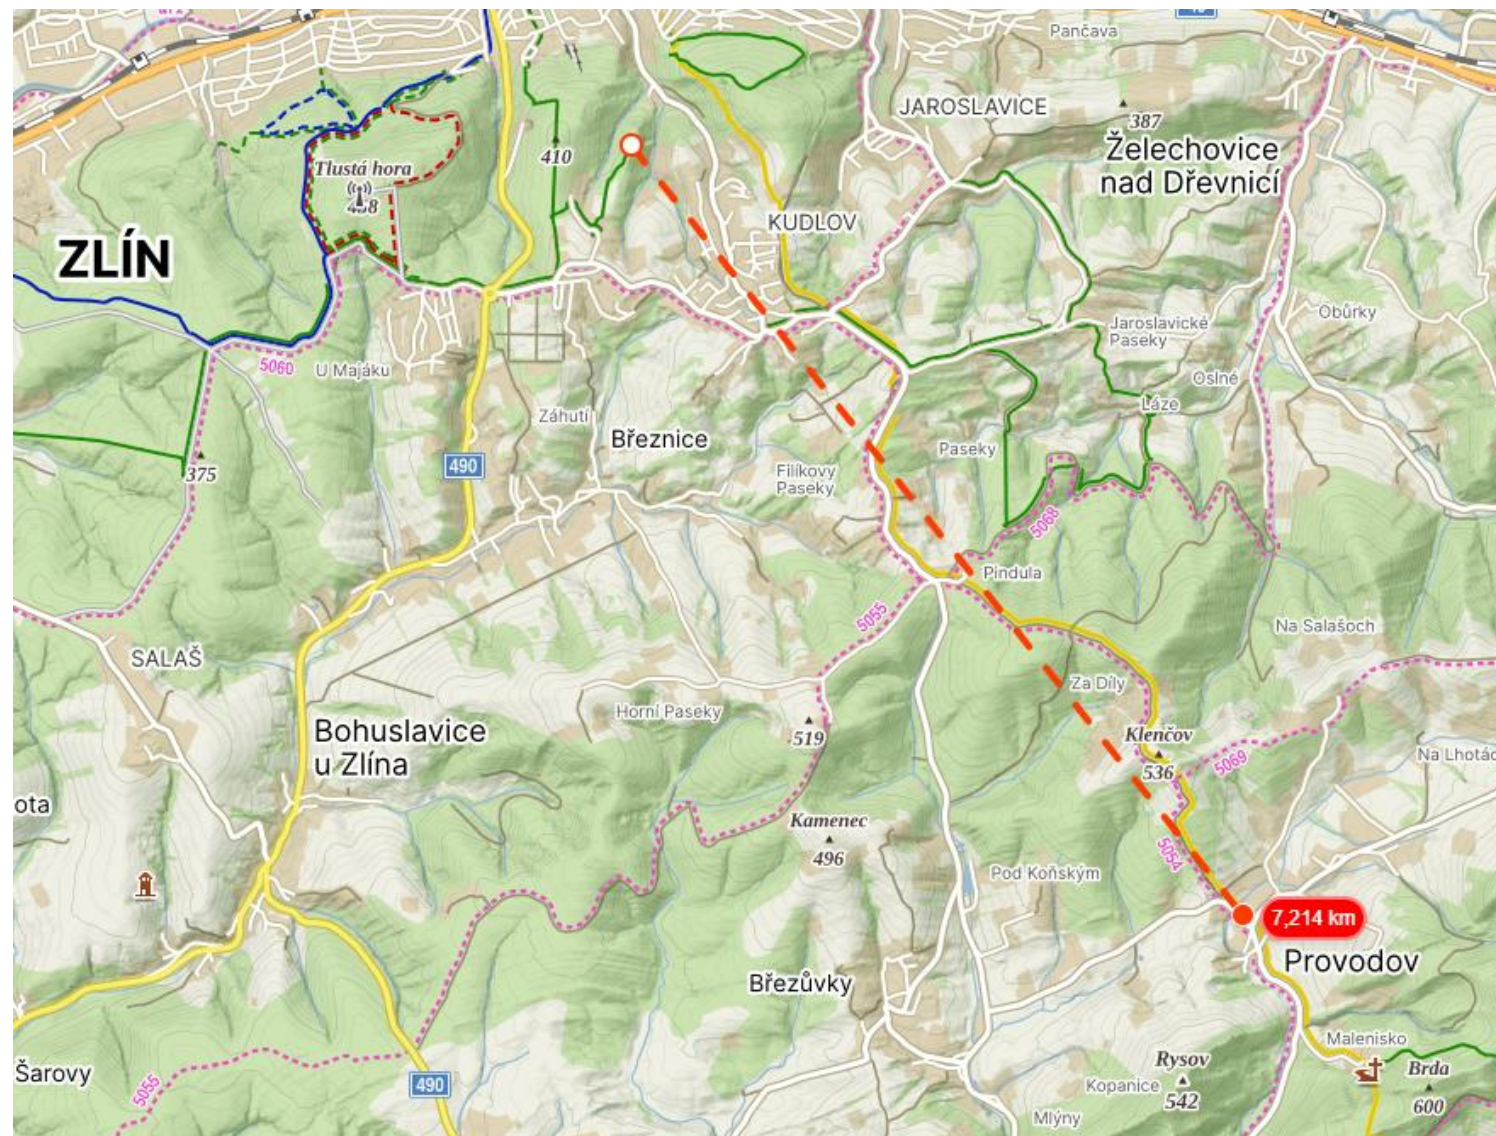

Mysterious castle above Zlín

- knight Miloš and his men lived there
- Dungeon was there and also secret passage reaching as far as the distant village of Provodov
- One day, the entire castle collapsed into the ground and disappeared
- Since then, once every 50 years, the terrifying headless black knight Miloš, riding in a fiery carriage and carrying his head under his arm, emerges and rides down to Zlín
